

THE POWER OF  
**CHANGE**

# Power Solutions for Military Applications

Celltech AB

**35** years  
experience of  
military batteries and  
power solutions

Part of Addtech Group

**1,8** Billion EUR

Listed in  
Stockholm OMX Large-cap

## THE POWER OF **CHANGE**

**4**  
scalable production  
and R&D sites  
in Europe with local  
sales engineers  
in 9 countries

**430**  
battery  
professionals

**Tier 1**  
cell and  
component  
suppliers

Industry certifications and IPR  
protection in place for quality  
and security

## Comprehensive Battery Solutions for Mission-Critical Operations

**C5ISR**

**LAND SYSTEMS**

**AVIATION  
AND GROUND  
SUPPORT SYSTEMS**

**DRONES**

**OFFSHORE AND  
NAVAL SYSTEMS**

**WEAPON  
SYSTEMS**

# Dependable Power from a Trusted Nordic Supplier

- Leading Nordic supplier of comprehensive multi-technology power supply and battery systems to keep military personnel connected and safe.
- Reliable power systems across a broad spectrum of military and industrial applications where failure is not an option.
- As a part of Swedish Addtech (est. 1906, rev. 1.7 B€), we offer unmatched stability and trust in the supply of military-grade batteries
- Extensive market experience and a technology-neutral approach to deliver scalable, innovative, and high-quality power solutions.

 Celltech

# Versatile Military Batteries for Diverse Equipment

- Customised battery solutions tailored to meet specific operational needs
- Standard batteries designed for general defence and security applications
- Back-up power solutions
- We also represent some of the best-known global battery brands with their military battery offerings

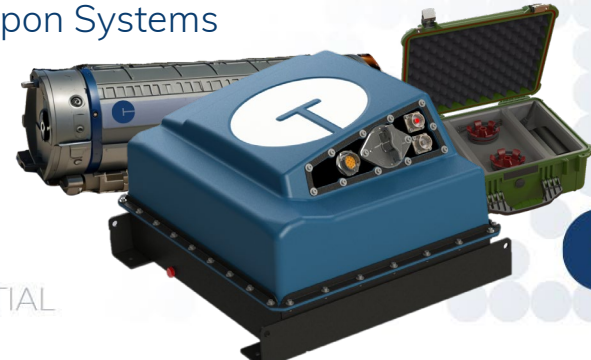

CONFIDENTIAL

# Comprehensive Battery Solutions for Mission-Critical Operations

- C5ISR  
(Command, Control, Communications, Computers, Combat Systems, Intelligence, Surveillance, and Reconnaissance)
- Land Systems
- Aviation and ground support systems
- Offshore and Naval Systems
- Weapon Systems

# OUR WAY TO SUCCESS

## Mission

### Our purpose

Enabling electrification in the safest and most sustainable way.

## Vision

### Our Goal

Celltech is to be a leader in value-generating technical solutions for electrifying a sustainable tomorrow.

## Values

### What guides us

**SUSTAINABILITY**  
We design safe, high-quality solutions striving towards a circular economy.

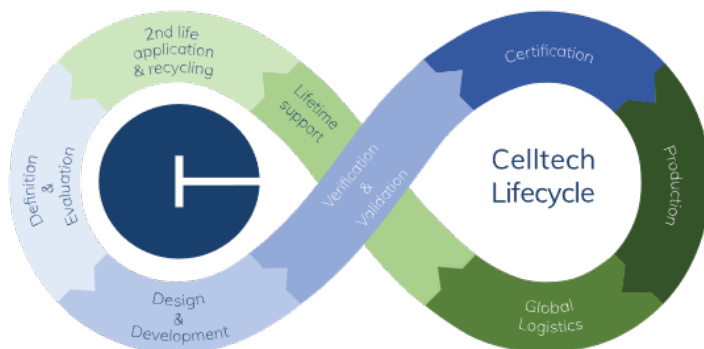

**TRUST**  
We work in collaboration, during both good and challenging times. We are trustworthy and trust others.

**INNOVATION**  
We are a friendly, ambitious bunch with knowledge, data and the freedom to shine.

**CUSTOMER FOCUS**  
We listen, ask questions, even challenge when needed and deliver the best technical and commercial solutions.

## Celltech Lifecycle

Our value-added process for long customer partnerships

At Celltech, we always consider the entire lifecycle of our solutions. We don't see our solutions as something with a start and an end; instead, we look at them as part of the bigger picture in a circular economy. Celltech Lifecycle is The Celltech way of doing things.

# Why Celltech

- Four decades of battery industry expertise
- One of Europe's leading battery and battery system suppliers serving customers on every continent
- Extensive partner network of world-leading cell suppliers, other key component manufacturers, and hundreds of long-lasting customer partnerships
- Own production and engineering expertise with full control
- Reliable, safe and sustainable battery partner with high-quality products
- We are here to stay, growing our business together with our customers
