

Invitation to register – Nordic Defence Industry Seminar 2018

Ensuring Future Capabilities – Nordic Armaments Cooperation in a Competitive and International Context

The Ministry of Defence of Sweden, in cooperation with the Swedish Defence Materiel Administration (FMV) and the Swedish Security & Defence Industry Association (SOFF), welcome you to register for the Nordic Defence Industry Seminar – NDIS 2018.

NDIS 2018 is a three day event that includes seminars and panel discussions with various perspectives on Nordic armaments cooperation. The event also includes an exhibition area.

We anticipate high level participation from both government and industry. Numerous companies from all Nordic countries will be represented at the exhibition in connection to the seminar.

Key note speakers include Swedish Minister for Defence Peter Hultqvist and the Nordic National Armament Directors. They will address the current state of, and prospect for, Nordic defence cooperation. Speakers from industry will contribute with their perspective, including the issue of market access.
